Located on the eighth floor, the Penthouse Suite is our most exclusive suite. It consists of a large living room with luxury furnishings and works of art, two bedrooms overlooking the bay of Naples and a bathroom with Jacuzzi, emotional shower, sauna and Turkish bath. In addition to a magnificent view of the Gulf, the Penthouse Suite offers special amenities, high-tech equipment and precious furnishings – such as B&B Italia sofas, rosewood and leather Hermès chaise longues and a collection of vintage furnishings – for a unique luxury experience.

The Penthouse Suite, with an area of 165 sqm / 1776 sqf, can accommodate up to four people and a baby up to 2 years old. Its living room (110 sqm) includes a large table for ten persons, an antique fireplace and a separate bathroom.
