

ZEN GARDEN SUITE

Located on the third floor, the Zen Garden Suite consists of one bedroom, a large bathroom with shower and double sinks and a lounge with fireplace. It finds its main feature in the fact that it is composed of a single open space equipped with luxury furnishings and objets d'art with a warm and welcoming atmosphere. The real plus of this suite is certainly the Japanese-inspired garden with Jacuzzi, making it perfect for leisure stays. The privacy of guests is always guaranteed, thanks to an effective system of external curtains.

With an overall area of 155 sqm / 1669 sqf, the Zen Garden Suite can accommodate two adults. Cot available on request.
